Priorities for support from the PPG funding in 2019-20

The school will adopt a tiered approach to spending which will involve using the funding to support the improvement teaching and teacher professional development, targeted academic support and wider strategies that relate to the most significant non- academic barriers to success in school. In doing this the school aims to:

- Narrow the gap between PPG and non PPG children throughout the school
- To improve the social and emotional skills of the children to support their learning.
- Provide all children with a wide and varied curriculum to ensure each child's full potential is reached in all areas.
- To ensure more PPG achieve the greater depth standard at the end of KS1 and KS2
- Provide all EYFS children with a secure and good start to school.
- To improve attendance and punctuality of disadvantaged pupils
